

Product Information Sheet

UNIQUE

Acid Free Washroom Cleaner

Product

- ✓ Prevents surface degradation as formulation contains no alcohol or ammonia
- ✓ Will not etch, burn, haze or scratch surfaces
- ✓ Will not damage aluminium, brass or other metal frames or fixtures

Specialised non-acid cleaner formulated for use on marble, granite, limestone and other sensitive stone. It is also suitable for most other bathroom surfaces, including glass. The product has been developed for the removal of calcium haze, lime and soap scum. Specific application includes complete heavy duty surfaces cleaning, floor cleaning and spot cleaning. It can be used with an Oates non-scratch white scour pad to restore and revive surfaces.
